SUMMARY

Web Developer proficient in JavaScript, React, and Node.js, with practical experience in hackathons and deployed applications. Holds a strong CSIT foundation and is passionate about creating scalable, user-focused applications.

EDUCATION

B.Tech – Computer Science & Information Technology

ITER, Siksha 'O' Anusandhan University | 2022–2026 | CGPA: 9.39

Senior Secondary (CBSE – PCM) | 96% | Kendriya Vidyalaya, Sambalpur | 2020–2022

Secondary (CBSE) | 95.2% | Kendriya Vidyalaya, Sambalpur | 2009–2020

PROJECTS

AlumniConnect – Government College Alumni Website — Hackathon Project

- Developed during Nirman 2.0 Hackathon (Silicon University).
- Built a networking platform for alumni: <https://my-alumni-pratikksahoos-projects.vercel.app/>.
- Technologies: Node.js, Express.js, MongoDB, responsive front-end.

Simon Game — <https://simon-game-three-roan.vercel.app/>

- Interactive browser-based game built using HTML, CSS and JavaScript.

Tribute Page — <https://rata-tata-tribute.vercel.app/>

- Ratan Tata A responsive tribute page built with React, Vite, and Spline 3D.
- Features an interactive mouse-tracking 3D robot hero, dark-themed UI with custom typography, biography, achievements, and inspirational quote sections.

The Weather App—<https://weather-app-one-beta-57.vercel.app/>

- React 19 + Tailwind app with dynamic weather backgrounds and particle effects.
- WeatherAPI + debounced autocomplete; Vercel deployment with CI/CD.

To-Do List App — <https://task-master-eta-mauve.vercel.app/>

- To-do app with dark mode, task categories, and advanced sorting.
- Clean, intuitive UI for smooth task organization and improved productivity.

Personal Portfolio Website — <https://portfolio-ivory-sigma-60.vercel.app/app/>

- Showcases skills, projects, and contact info using clean HTML/CSS.

NoteMint — <https://note-mint.vercel.app/>

- AI-powered MERN note-taking app with offline-first support.
- Create, organize, and summarize notes instantly in a responsive UI.

LifeOs— <https://note-mint.vercel.app/>

- LifeOs is a full-stack productivity platform that combines task management, habit tracking, mood journaling, and hydration reminders in a user-friendly interface with passwordless authentication.

Campus Connect— <https://campus-connect-phi-six.vercel.app/>

- A centralized campus information system that automates notices, enables resource sharing, and offers a modern, accessible UI.
